WILL CONTEST BAKER'S SEAT

Speaker Holstein Will Back
Charges, Based on Trial
Evidence.

David K. Baker of Hawaii will be made in order to unseat Baker will be taken, it is understood, from the evidence which was brought out against him during the two trials for embezzlement some time ago. Baker was acquitted both times, the cases against him being thrown out of court on technicalities.

The main basis of the charges which will be made in order to unseat Baker will be taken, it is understood, from the evidence which was brought out against him during the two trials for embezzlement some time ago. Baker was acquitted both times, the cases against him being thrown out of court on technicalities.

Speaker of the Senate Holstein has written to this island to secure the transcript of the evidence against Baker in the two trials, and has stated in his request that he intends to use it as the basis for contesting the new Senator's seat. The question of whether Baker could hold his seat in the Senate was brought into the limelight and was the subject of investigation a short time ago, when it became known that he was still officiating as Deputy Sheriff of the district in which he resides on Hawaii.

ANGLO-AMERICAN MOTOR CAR COMPANY, LIMITED.

19-21 HEDDON STREET, REGENT STREET, W.

LONDON, 25th November, 1908.

Messrs. The Cadillac Motor Car Co., Detroit, Michigan, U. S. A.

Dear Sirs.—We have much pleasure in writing to you relative to the Olympia Show and the reception of the new Cadillac "THIRTY." THE ORDERS RECEIVED BY US AT THE SHOW BROKE ALL OUR RECORDS OF THE LAST SIX YEARS. The car was naturally the centre of attraction, and even our biggest competitors could not but admit that the Cadillac Company had surpassed anything they had done previously in manufacturing such a fine car at so low a price. The opinion was unanimous that never before had Olympia seen its equal at, or near, the price.

Amongst those who have given us orders are some of the best engineers in the country, and are recognized as the finest experts in motor car construction.

We are anticipating a great year's business with the new "THIRTY," and wish to convey our congratulations to the Cadillac factory for giving such a fine proposition for 1909. It commanded success from the first and has certainly obtained it.

Yours faithfully,

B. D. H.

(Signed.) F. S. BENNETT, Manager.

We have just received and delivered our first car, which certainly is a revelation in automobile construction.
